Independent Auditor's Report

To the Stockholders and Board of Directors of
Corporación Andina de Fomento (CAF)

Opinion

We have audited the statement of cash collections and disbursements administered by **Corporación Andina de Fomento (CAF)**, of Special Climate Change Fund, for the year ended December 31, 2021, and the related notes (the "financial statement").

In our opinion, the accompanying financial statement presents fairly, in all material respects, the cash collections and disbursements of funds for the year ended December 31, 2021, in accordance with the cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 to the financial statement, which describes the basis of accounting. The financial statement is prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with the cash basis of accounting described in Note 2, and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SPECIAL CLIMATE CHANGE FUND (SCCF)

(Funds administered by CAF)

Notes to the statement of cash collections and disbursements
For the years ended December 31, 2021 and 2020
(Denominated in U.S. dollars)

1. DESCRIPTION OF THE FINANCIAL PROCEDURES AGREEMENT

On February 23, 2017, Corporación Andina de Fomento (CAF) and International Bank for Reconstruction and Development (the “World Bank”) as a Trustee of the Special Climate Change Fund (SCCF), agreed the standard provisions applicable to the Trust Funds that set forth certain terms and conditions generally applicable to the financial procedures agreement. The financial procedures agreement provides for the conditions for the transfer of funds by the Trustee to CAF and the use of these funds.

The Trustee applies the procedures described in Article IV of the financial procedure agreement for all the commitments of funds granted to CAF, as Project Agency; these procedures include the signing of a Letter of Commitment for each approved transaction. In addition, after the funds have been committed by the Trustee and the Fund project has been approved by CAF, the latter, as project agency, may request transfers of funds for a Fund project. The funds received by the Trustee are presented as cash receipts in the statement of cash collections and disbursements.

The funds transferred to CAF under the financial procedures agreement shall be used for the purpose for which they have been provided; in addition, the disbursements of funds from CAF to the recipients shall be made in accordance with CAF’s policies and procedures, including its applicable disbursement procedures. The funds shall not be used for the purpose of any payment to persons or entities or for the import of goods, if such payment or import, to the CAF’s knowledge or belief, is prohibited by a resolution, action or decision of the United Nations Security Council taken under Chapter VII of the United Nations. The funds used and disbursed by CAF are presented as cash disbursement in the statement of cash collections and disbursements.

Unused funds from the fund projects, for which no further disbursements are due to be made, shall be held by CAF and reflected in the net cash position reported by CAF to the Trustee. If so requested by the Trustee, CAF shall return to the SCCF, any unused fund from the Fund projects. If the funds were not used for the purpose provided under the instrument and/or the decisions made by the Fund Council, as applicable, due to the CAF’s actions or due to the action of a third party as a result of the Project Agency’s gross negligence or willful misconduct, CAF shall promptly return to the SCCF the amount of Fund resources, and, as applicable, shall take the necessary actions within its control to address the matter, including in accordance with its policies and procedures, using reasonable efforts to recover from such third party the amount of the Fund resources that have not been used for the purposes provided, and return such resources to the SCCF.

According to the fee policy for Global Environment Facility (GEF) Partner Agencies and the financial procedures agreement, CAF receives agency fees, to cover the project agency’s cost in respect of the services performed by the project agency in connection with the GEF. The fee policy for GEF partner agency establishes fees for 9.5 percent of the grant, for GEF project grant up to, and including, \$10 million. For GEF project grant above \$10 million, GEF agencies will receive fees at 9.0 percent of the grant. Agency fees are presented as disbursement in the statement of cash collections and disbursements.

SPECIAL CLIMATE CHANGE FUND (SCCF)

(Funds administered by CAF)

Notes to the statement of cash collections and disbursements
For the years ended December 31, 2021 and 2020
(Denominated in U.S. dollars)

In 2001, the parties to the United Nations Framework Convention on Climate Change (UNFCCC) established the Special Climate Change Fund (SCCF) under the decision 7/CP.7 of the Parties' convention, to support climate change activities that are complementary to the GEF's climate change projects, with a special focus on the most vulnerable countries. The objective of the Special Climate Change Fund (SCCF) is to support adaptation and technology transfer projects and programs that: are country-driven, cost-effective and integrated into national sustainable development and poverty-reduction strategies.

2. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

Under the cash basis of accounting, contributions and disbursements are recorded in the accounts when cash is collected and cash is disbursed. The accompanying statement has been prepared in U.S. dollar.

3. CONTRIBUTIONS COLLECTIONS AND DISBURSEMENTS

During the years ended December 31, 2021 and 2020, the Trustee approve 0 and 1 additional commitments for the execution of fund projects, respectively, that meet the conditions of the financial procedures agreement in articles 4 "Commitment of funds by the Trustee" and 5 "Transfer of funds by the Trustee to the Project Agency".

During the year ended December 31, 2021, CAF receive additional contributions to execute the project for US\$ 2,536,987 and performed disbursements for US\$ 3,580,084 for fund projects and US\$ 15,354 for agency fees. During the year ended December 31, 2020, CAF receive additional contributions to execute the project for US\$ 4,732,810 and performed disbursements for US\$ 2,744,685 for fund projects and US\$ 45,070 for agency fees.

The information of the commitment approved to execute the projects is detailed below:

During the years ended December 31, 2021 and 2020, the Trustee did not approve additional commitments for the project "Andes Adaptation to the Impacts of Climate Change in Water Resources" (AICCA) to generate and share data, information and experiences relevant for adaptation to climate variability and change, useful for formulation of policies in selected sectors, and to pilot investments in priority areas in the four Andean countries. During the year ended December 31, 2021, CAF receive additional contributions to execute the project for US\$ 2,536,987 and performed disbursements for US\$ 3,580,084 for fund projects and US\$ 15,354 for agency fees. Additionally, During the year ended December 31, 2020, CAF receive additional contributions to execute the project for US\$ 4,228,310 and performed disbursements for US\$ 2,744,685 for fund projects and US\$ 45,070 for agency fees

On August 17, 2020 the Trustee approved the commitment to the project "UAVs/drones for Equitable Climate Change Adaptation Participatory Risk Management through Landslide and Debris Flow Monitoring in Mocoa, Colombia" to increase the equitable adaptation to climate change by decreasing vulnerability and increasing the resilience in Mocoa through the development of innovative technology of unmanned aerial vehicles (UAV or drones) to monitor landslides and flow of debris, and forecast risks based on community for US\$ 504,500. During the year ended December 31, 2020, CAF received funds amounting to US\$ 504,500 for project execution purposes; however, it made no disbursements in connection therewith. Additionally, during the year ended December 31, 2021, CAF did not receive contributions and did not make any disbursements.
