

Diploma in Governance and Public Innovation

ORGANIZED BY:

THE UNIVERSITY
OF THE
WEST INDIES

This diploma has been developed by CAF in partnership with the most prestigious universities in Latin America and the Caribbean to offer a practical and applied approach to governance and public innovation with a special focus on transformative public leadership. In **Barbados, Jamaica and Trinidad and Tobago**, it is offer in partnership with **The University of the West Indies**.

“At CAF, we understand governance and public innovation as the right environment for legitimizing government actions, through institutions with clear procedures and rules, capacity, efficiency, transparency, and agility in responding to citizen demands”

Sergio Díaz-Granados
Executive President, CAF

Christian Asinelli
Corporate Vice President, CAF

“With this Program we seek to strengthen institutions by training leaders in the region, in the effective performance of their tasks, from a perspective that seeks to ensure an appropriate balance of political, economic, social, climate change and gender variables.”

APPLICATION

March 15th to
May 15th 2023

START

May 2nd 2023

END

November 30th
2023

DURATION

6 months
(160 hours)

COST

USD 425

Objective

Strengthen capacities and skills of leaders from Latin America and the Caribbean who work in the Public Administration at the national and subnational levels, the private sector and civil society in public innovation, governance and public management through strategic issues to promote transformative leadership that can face the current and future challenges of the region.

Approach (cross-cutting topics)

- Public Innovation
- Govtech
- Digital Transformation
- Gender and Social Inclusion
- Design Thinking
- Climate Change
- SDG 2030

Audience

- Public authorities
- Technical teams and public officials of national or subnational governments, in charge of the design, implementation or evaluation of public policies and programs
- Public, social, political and business leaders
- Representatives of NGOs and civil associations
- Employees of public companies
- Employees of private companies associated with the public sector

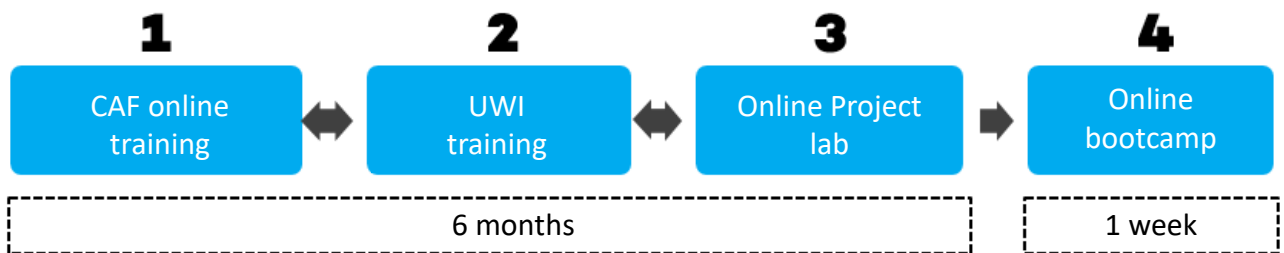

Methodology

This 6-month program is offered in a mixed training scheme, in which CAF offers asynchronous online lessons, debate forums and master classes with international experts, while UWI will teach the classes in a synchronous online format.

The program consists of 3 phases in parallel:

- **PHASE 1: CAF Training**
- **PHASE 2: UWI Training**
- **PHASE 3: Online lab of “Design Thinking” projects**

At the end of the 6-month program, the best project of each university will participate in **PHASE 4: Incubator**. In this online bootcamp students will be refine and incubate the best project per country, so that they can become projects to be financed and/or implemented by CAF.

PHASE 1: CAF Training

12 lessons of 5 hours = 60 hours of learning
 2 optative lessons of 5 hours = 10 hours of learning (optative)
 6 masterclasses = 6 hours of learning (optative)
 Online discussion forums

PHASE 2: UWI Training

11 lessons of 5 hours: 55 hours of learning

PHASE 3: Online lab of “Design Thinking” projects

Group practical work = 35 hours

TOTAL dedication = 150 hours

PHASE 4: Incubator (online bootcamp for best projects)

Syllabus

This program is divided into 3 modules of 2 months each one.

CAF lessons are regional and transversal in scope, while those given by UWI will be local and more applied.

He has also authored or coauthored several published academic papers in international journals and book chapters.

CAF – development bank of Latin America and the Caribbean

We promote a sustainable development model through loans, non-reimbursable resources and support in the technical and financial structuring of projects in the public and private sectors of Latin America. The contribution to the development of the region is reflected in the expected results of our credit operations and equity investments.

Since 2017, CAF has provided virtual training, with more than 130,000 students enrolled, 100 courses taught, and currently 5 virtual graduates.

The University of the West Indies

The UWI has been and continues to be a pivotal force in every aspect of Caribbean development; residing at the centre of all efforts to improve the well-being of people across the region. From a university college of London in Jamaica with 33 medical students in 1948, The UWI is today an internationally respected, global university with near 50,000 students and five campuses: Mona in Jamaica, St. Augustine in Trinidad and Tobago, Cave Hill in Barbados, Five Islands in Antigua and Barbuda and its Open Campus, and 10 global centres in partnership with universities in North America, Latin America, Asia, Africa and Europe.

The UWI offers over 800 certificate, diploma, undergraduate and postgraduate degree options in Culture, Creative and Performing Arts, Food and Agriculture, Engineering, Humanities and Education, Law, Medical Sciences, Science and Technology, Social Sciences, and Sport. As the Caribbean's leading university, it possesses the largest pool of Caribbean intellect and expertise committed to confronting the critical issues of our region and wider world.

The UWI has been consistently ranked among the top universities globally by the most reputable ranking agency, Times Higher Education (THE). In the latest World University Rankings 2022, released in September 2021, The UWI moved up an impressive 94 places from last year. In the current global field of some 30,000 universities and elite research institutes, The UWI stands among the top 1.5%.

The UWI is the only Caribbean-based university to make the prestigious lists since its debut in the rankings in 2018. In addition to its leading position in the Caribbean, it is also in the top 20 for Latin America and the Caribbean and the top 100 global Golden Age universities (between 50 and 80 years old). The UWI is also featured among the leading universities on THE's Impact Rankings for its response to the world's biggest concerns, outlined in the 17 United Nations Sustainable Development Goals (SDGs), including Good Health and Wellbeing; Gender Equality and Climate Action.
