CALL FOR THE CREATION OF THE LATIN AMERICA AND CARIBBEAN REGION BRAND IMAGE

Authorization for the processing of personal data

I, _____, holder of identity card/passport no. _____ issued at _____, in my capacity as Participant in an application and selection process with Corporación Andina de Fomento ("CAF"), authorize CAF, directly or through its employees, consultants, advisors and/or third parties commissioned for this purpose, to carry out any operation or set of operations such as the collection, processing, storage, transfer and transmission (the "Processing") of my personal data. This data is understood as any information linked or that may be associated exclusively to the Application and Selection Process to participate in a bootcamp in which the image of the Latin America and Caribbean Region Brand will be created (the "Personal Data"), which includes but is not limited to basic data, such as contact data, professional information, or sensitive data being these collected by any electronic, digital, audiovisual and/or physical means.

I understand that the purpose for which my Personal Data is collected and processed is exclusively for the purpose of managing the Application, Selection and, if applicable, Participation Process to attend a bootcamp in which the image of the Region Brand will be created.

I accept, authorize, understand and know the rights that I have as owner of my Personal Data, among which are the following: (i) to know, update, delete and rectify my Personal Data before CAF or those who on its behalf carry out the Processing; (ii) to request proof of the authorization granted to CAF, except when not required by law; (iii) upon request, to be informed about the use given to my Personal Data by CAF or those who on its behalf carry out the Processing; (iv) to revoke this authorization and/or request the deletion of my Personal Data, and (v) to access my Personal Data that have been subject to Processing, free of charge.

I accept, authorize, understand and know that the revocation of this authorization and the deletion of my Personal Data will only proceed to the extent that there is no legal or contractual obligation to remain in the respective database. This request can be made
