

CAF DAY INCLUSIVE AND PRODUCTIVE CITIES QUITO. OCTOBER 18TH

18 de octubre de 2016, 09:00 - 17:00

Swissotel. Av. 12 de Octubre 1820 y Luis Cordero, Quito.

DESCRIPTION

CAF Day will focus on best practices that have been implemented in Latin America to build inclusive and productive cities, which can also serve as inputs to other countries in the region and the world. The dialogue will be oriented towards the main aspects that influence the territorial and integrated development of cities such as basic services and social cohesion; environmental sustainability and climate change; connectivity and integration; and the role of cities as engines of productivity and growth of countries.
